

The Intel logo is displayed in white text on a blue square background. The background of the entire top section is a blurred photograph of a retail store with several self-service kiosks in the foreground.A gold-colored badge with the text 'intel partner' in a lowercase, sans-serif font, and 'Gold' in a smaller font below it.

Solution Overview

KIOSK INFORMATION SYSTEMS, INC. leverages Intel technology to create innovative self-service solutions for industries including retail, healthcare, hospitality, and banking.

Utilizing Intel® processors, IoT platforms, and Intel® vPro™ technology, their kiosks deliver enhanced performance, security, and remote management. KIOSK's solutions support applications such as self-checkout, patient check-in, retail returns, ticketing, and digital signage, enabling efficient and reliable service delivery while optimizing end-user experience.
